Pupils' will be given one-to-one guidance on which Assessment Objectives need to be further developed within their portfolios (AO1, AO2, AO3, AO4). In line with the advice from the WJEC we aim to consolidate pupils planning and focus on the areas that may be missing or need completion/ refinement. **Internal Engagement & Portfolio Progress check-in 3:** **Monday 19th April** Pupils are expected to send in photographs of their coursework portfolios to date via Teams (or hand-in coursework portfolios if in the classroom). At this point teachers are expecting to see evidence of all portfolio work completed to date and look for recent progress of portfolios. Individual teacher feedback given to pupils with areas of progression focus and portfolio development.	Pupils' will be given one-to-one guidance on which Assessment Objectives need to be further developed within their portfolios (AO1, AO2, AO3, AO4). In line with the advice from the WJEC we aim to consolidate pupils planning and focus on the areas that may be missing or need completion / refinement. **Pupils Will be focusing on developing:** 1) A piece of work showcasing their practical skills using a medium that they feel strongest in using. This work should be re-fined to the best of the pupil's ability. 2) A minimum of 2 x artist evaluations using the VCOP sheet's, which link to the practical piece they have developed (medium/style/theme). 3) An in-depth self-reflective annotation that describes, the making process, strengths and weaknesses of the practical outcome they have made.
